European
Commission

Improving staff motivation,
working conditions,
organisational performance,
innovation capacities,
reactivity to market
changes – all that can be
achieved by workplace
innovation.

**We need YOU and
YOUR knowledge.**

Understanding its potential for
business competitiveness the
European Commission launched
euwin, the European Workplace
Innovation Network.

Euwin offers the promotion,
resourcing and upscaling of
the concept and use of the
workplace innovation in the
whole Europe. Its activities
include workshops, meetings
and other forms of experience
sharing and capacity building.

**Join the network
and become a
euwin Ambassador...**
