## Potential Problems of the Project Outlines

FFG

- Project not in line with the EUREKA principles
- Project budget distribution unbalanced
- Single partners not eligible for national funding
- No funding available in a country
- Deadline June 17<sup>th</sup> not of high importance
- ...

→ may lead to non-submission of a full proposal

## Full Proposal Phase (preliminary)

FFG

- 12 additional proposals have been submitted (not participated to the project outline phase)
- 3 POs have been withdrawn by the participants
- 44 POs have not submitted a full proposal
  - some will however submit later

- Encouraging call results
- „Makro-regional“ format is well received by the industrial R&D community
- **Next step: funding applications and evaluation by the national funding bodies**
- Looking forward to many successful EUREKA projects
