

# Two Indo-European Joint Calls for proposals

## NOW OPEN FOR APPLICATIONS !

### Innovation Call on Bioeconomy

**Deadline:**  
**31 August 2016**

#### WHAT CAN BE FUNDED UNDER THE INNOVATION CALL?

Indo-European projects designed to lead to innovative products, services or processes of significant economic and/or societal value.

Joint innovation projects shall also address applied research and technological development implemented in **partnership between innovative SMEs and research performing institutions based in India and Europe.**

#### WHO CAN APPLY?

Consortia have to involve **at least three partners**: two from two different European countries participating in the Innovation call (**France, Germany, Norway, Spain**) and one from **India**.

The participation of SMEs, industries and clusters is strongly recommended.

Partners from countries other than those participating in the IPP Innovation Call can join a consortium but have to secure their own funding.
