Massive Open Online Course (MOOC)
The changing world of work
Tuesday 28th March 2017

Prepared for the challenges of the changing labour market? Do you want to better understand and apply skills related to emotional awareness, active listening, reflection, coaching skills, peer coaching and powerful questioning? Do you want to explore tools for handling Labour Market Information (LMI) and the digital agenda? This is 6 week MOOC, with an estimated workload of 3.5 hours per week.
