

ZSI – DEPARTMENT OF WORK AND EQUAL OPPORTUNITIES

The thematic fields of competence of the department “Work and Equal Opportunities” are:

WORK & EMPLOYMENT

- Changing working environments and labour markets
- Socially innovative employment policies and measures
- Shaping social change with regards to the grand societal challenges (e.g. consequences of demographic change)

EQUAL OPPORTUNITIES & INCLUSION

- Consequences and results of international migration (including re-migration) and migration policies
- Inclusive urban research
- Social inclusion and participation (e.g. inclusion through education, anti-discrimination in companies)

Many of our projects are based on international cooperation and networks with partners particularly from the EU such as the European Metropolis Employment Network (MetropolisNet). Our clients include, among others, the European Commission, international organisations, NGOs, social partners, public employment services, Austrian ministries and Austrian cities and provinces.

OUR SKILLS AND EXPERTISE

Our core skills at the unit Work and Equal Opportunities include:

- **Research:** social scientific research and scientific accompaniment using qualitative and quantitative methods such as multilevel analysis, social experimentation, factorial surveys, and social area analysis as well as participatory designs.
Specific expertise:
 - Regional and global employment trends
 - Work organisation and occupational training
 - Migration and minorities
 - Social inclusion and exclusion
- **Policy advice:** planning, implementation, monitoring and evaluation of policies, programmes and projects.
Specific expertise:
 - Information on policy tools and instruments
 - Consultation in project and programme implementation
 - Stakeholder dialogue activities (e.g. focus groups, workshops, conferences, consultation processes and training)
- **Network coordination:** implementation, coordination and support of networks and area-based partnerships.
